You know
there's
no point in
hiding anything from me.
I hear all your thoughts.
You are too
unfocused by my body
to train me properly...

Master, you don't have to ask out loud, I've already read what you have in mind.
I agree completely, I should train you first.

You know there's no point in hiding anything from me.
I hear all your thoughts.
You are too unfocused by my body to train me properly...
